

## Vision / Mission

To lead in the conception and delivery of recruitment services that enables our clients to win in the changing world of work. Remain focused and committed so as to give our clients the greatest return on their staffing investments.

## Core Values

We have identified the values that underlie our business philosophy and ensure the satisfaction of our customers, employees, temporary and contract staff. Shared by all stakeholders, these values guide our actions and remain the foundation upon which we continue to build our company:

- Acting with utmost integrity
- Respecting people
- Satisfying our customers
- Believing in being better
- Succeeding financially

In the present day ever changing market, flexibility is the norm for our clients as they develop short-term strategic plans. These plans necessitate the need for a flexible work force supplier.

Our flexibility in dealing with the Human Capital requirements of our clients results in significant cost savings that translate into profit dollars.

With strengths across all aspects of the recruitment process from sourcing and interviewing to tailored orientation, **First choice** continues to transform client requirement into cost-effective recruitment solutions.

**First Choice** Employment can provide qualified people by the hour, day, week, month or year. We take on the burden of payroll remittances, thus freeing our clients to concentrate on other competencies and differential advantages as the smallest advantage can be crucial for success in the market place.
